

## “ROMA CAPUT MUNDI” AWARD RULES

ARI Roma celebrates its 75th anniversary with the “ROMA CAPUT MUNDI” award and the special call IIØLXXV valid between July 1st and December 31st 2021.

Award is open to OM and SWL worldwide.

**Duration:** from 00:00 UTC on 01-Jul-21 to 21:59 UTC on 31-Dec-21.

**Bands:** all bands, excluding contacts via repeaters / transponders.

**Modes:** SSB-CW-DIGI as per band plans.

**Contacts:** at least one QSO each is required for:

- special call IIØLXXV
- club station IQØRM
- a member of the ARI Roma District as per the following operator list

Multiple QSOs are allowed with the same station even on the same day as long as are made on different bands or modes.

### **Scores:**

- IIØLXXV 5 points;

- IQØRM 3 points;

- participant ARI Roma club members 1 point.

Total score will be calculated as the total points for valid QSOs.

### **Logs:**

Logs in ADIF format must be submitted via email only to [info@ariroma.it](mailto:info@ariroma.it) before 31-Jan-2022.

Late logs will not be included in the ranking, can be used for control log purposes and entitle to a participation award.

Awards can be requested with the following minimum score:

- 80 pts for italian stations;

- 40 pts for stations in Europe;

- 20 pts rest of the world.

and will be sent via email in .PDF format.
